Step 1 – If you don’t already have a Facebook account, set one up.

It is free and easy to do. It will require you to have an e-mail address.

Step 2 – Click on the advertising link.

It is at the bottom of the page. The link will take you to a page that gives you information about both Facebook ads and pages.

Click on the button that says “Create Facebook Ad.

Step 3 – Create the Ad.

Screen 1. – Get Started

The first thing that Facebook will ask you to do is to input the Web site link associated with the ad. In other words, when people click on the ad, they will click through to the Catholics for Obama Web site. We are asking you to input the following link: http://www.catholicdemocrats.org/cfo/petition.php which will take the viewer to the petition to endorse Senator Barack Obama.
Screen 2. Create your Ad

They will then ask you to create the Ad’s headline and copy. The number of words and characters for both the headline and the body of the ad are restricted, so we wanted to be pithy.

You will input information for the Title and Body input boxes as follows.

- **Title** (this is the headline for the ad): Catholic for Obama?
- **Body** (this is the actual text for the ad): For social change and the common good? Sign the petition endorsing Senator Obama at Catholicsforobama.org.

You will then upload the image of the dove – which you have downloaded from the Catholics for Obama Web site - as follows.

- **Photo**: Click on the arrow next to Photo and select “Upload a Photo.” Then click the Browse… button that appears and select the file for the image of the dove that you downloaded on to your computer from the Catholic Democrats Web site. If you have not already downloaded it you should do that now from the Downloads tab at www.catholicsforobama.org.
- **Social Actions**: Leave the Social actions box unchecked

Screen 3. Reach the exact audience you want

It will then ask you to “reach the exact audience you want.” You can choose location, gender, age, and keywords.

We suggest that you select the following:

- **Location:** Everywhere in the U.S.
- **Sex:** We did not choose either male or female, which will allow us to reach both. Leave these boxes blank unless you want to specify otherwise.
- **Age:** 18 to Any
- **Keywords:** Note the following key words were selected from the options that Facebook allows you to choose from: Catholicism, Catholic Student Association, Barack Obama, Students for Barack Obama, Obama/Biden, Michelle Obama, Democratic, Democrats, Democratic Party, College Democrats, Young Democrats, Liberal Democrats, Hillary Clinton

With those keywords, our ad is targeted to reach 2.5 million people.
**Screen 4. Price your Ad**

You will then be asked to price your campaign. At the menu for naming the campaign, you should scroll down to the category of “New Campaign”. You can name it whatever you would like.

You can “Pay for Clicks” or “Pay for Views”. We recommend you select the “Pay for Clicks” tab.

After your selection, Facebook will recommend a “Daily Budget” for you, usually $25.00 but you can make changes to whatever suits you, from $10 to $100 or more.

Facebook will also ask “What is the most you are willing to pay per click?” next to Max. Bid. We suggest that you leave this at the suggested number.

Then you can specify how long you want to run the ad. We ask you to consider running it through November 4th.
